- **1025 t-shirts with a 4-color imprint on the back and a 2-color on the front in 2 days** plus 1 day shipping via UPS Ground to Washington, DC.
- **576 travel mugs in 3 days** to a company in Virginia.
- **5000 highlighters in 1 day** plus 1 day shipping to Florida.
- **1000 21 oz sports bottles in LESS THAN 1 day** plus 1 day shipping to North Carolina.
- **144 brushed cotton caps in 3 days** shipped to an organization in Virginia! The caps had their logo embroidered on the front of the cap and web site on the back of the cap. The new logo was digitized for embroidery in 1 day where normal set-up time for most companies is 1-2 weeks. The customer was able to review a sew-out after which the caps were embroidered in 1 day and shipped overnight to the customer for a special event. A total of 3 days!
- **288 15 oz mugs in 1 day** plus 1 day shipping to a corporation in Annapolis, MD. This was after a free pre-production sample was done to guarantee that the customer was 100% happy with the layout and imprint color.
- **250 bumper stickers in 2 days** with a 1-color imprint. They were shipped overnight to meet a special event.
- **Lapel pins in under 2 weeks** to meet a deadline for a tradeshow. Normal production time is 3-1/2 to 4 weeks for most other companies.
- **5000 tote bags in 2 days** with a 2-color imprint on 1 side and a 1-color imprint on the 2nd side. These were required when another company couldn't deliver in under 2 weeks even though they promised they could.
